PEE GEE EARNINGS.

quarterly report of the new receivers of the Kansas City, Pittsburg and Gulf rail- from Tyler, accompanied by his wife. OLEY.—McKinney, Texas, July 18.—
road has been filed in the United States
road has been filed in the United States
circuit court. It shows an improving condition of the road's finances by reason largely of the retrenchment policy began by the receivers, Samuel W. Fordyce and Webster Withers. The report covers two extended exhibits-one for the main line and another for the Texas division. On the main line the exhibit covers everything from April 28 to May 31. It shows that the gross earnings were \$328,374.39, and that of here yesterday, aged 66 years 5 ths and 7 days.

In this alt 7 days.

In this city July 11, Mrs. Bruce Harafter a short illness. Deceased leaves shand and several children to mourn tost. Interment took place in the city ferry July 13.

RCLAY.—Beeville, Texas, July 16—

To paraffing were \$228,374,39, and that the operating expenses were \$213,581.03. The net earnings were \$114,793,36, less, however \$9185 taxes charged, making the main line's actual net earnings for May and two days of April \$105,608,36. The freight earnings alone were \$272,820. The passenger earnings were \$40.985.

The receipts from all sources, including moneys turned over by the former texast.

RCLAY.—Beeville, Texas, July 16.—

J. E. Barclay, wife of M. E. Bardes, died here yesterday morns at 5 o'clock after a lingering illness were \$403.794.27. The disbursements were \$302.216.29. The balance of cash on hand was \$191.577.98. The current assets of May 31 were \$661.899.93, and the current liabilities \$568.840.13.

The Texas division report covers the second or success to the current with the current liabilities \$568.840.13.

The Texas division report covers the second or success to the current will be But Little Sickness in th

of Beeville.

PETT.—McKinney, Texas, July 13.—
remains of Aron Brett, who died at laborn, I. T. yesterday, from injuries that the operating expenses 13.081.98, leaving the operating expenses 13.081.98, leaving

this morning to ascertain how much truth there was in the yellow reports which resistor Springs, Mo., where he had been his health. Mr. Shearman was presist of the State National bank of this He was a Pennsylvanian and an expunction officer and for a long time considering and for a long time considering the State was preparing to test the constitutionality of the act exempting the stitutionality of the act exempting the stitutionality of the act exempting the stitutional and Great Northern from taxation for twenty-five years. He was informed that, so far as the State is content to the five should not be a series outbreak of sickness. Further up the view of sickness for the cently appeared in certain San Antonio and Galveston papers to the effect that the State was preparing to test the content of the negroes have not, in some stitutionality of the act exempting the sufferers unless they were paid. I gas instructions that not one ounce of the should be given to any negro who would assist us in getting the supplies out of the state was preparing to test the content of the feet that the still there should not be a series outbreak of sickness. Further up the view of sickness. Further up the view outbreak of sickness. Further up the instructions that not one ounce of food should be given to any negro who wouldn't assist us in getting the supplies out of the proposition. This is an old chestnut which is periodically dug up by reporters "out of soap," and has not improved in quality with age.

Interstate Texas Rates.

Advice of the following changes in rates in interstate Texas traffic has been propulgated by the Southwestern bureau to scome effective upon dates mentioned:

Effective July 20. came of the following changes in rates in the supplies are going to only those who described in the proper distribution in charge. Nothing more is necessary for the present."

Dr. Blunt says the water is receding very slowly. It had only some second of the following changes in rates in the supplies are going to only those who describe help and who are needy. The right men have the distribution in charge. Nothing more is necessary for the present."

Dr. Blunt says the water is receding very slowly. It had only some first that not one ounce of food of the following hearing. Mile and a sixteenth—Hardly, Samovar, Elimination of time time, 1:250.
